

# CCMS DATA EXCHANGE DATA SHEET

## ADMINISTRATIVE OFFICE OF THE COURTS

INFORMATION SERVICES DIVISION

### Court Receives Employment Development Department (EDD) Case Upload (INI815)

#### Exchange Description

A trial court uses this California judicial branch XML schema-based data exchange to receive a file from the California Employment Development Department (EDD) to create post-judgment civil cases so that summons can be issued for defendants.

EDD may use this data exchange to send post-judgment cases to the trial court to recoup overpayment of unemployment insurance.

- The notification message from EDD to the trial court contains the EDD case information (e.g., case number, participant, and amount).
- The response message sent by the trial court to EDD contains confirmation that an EDD case has been created (e.g., "Success").

#### Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There is no business response to this exchange.

#### Error Handling

If the trial court does not successfully receive and process the incoming message, the integration partner will receive an error message with an error code and error reason.
